About iQX Limited (NSX:IQX)

iQX Limited is an NSX listed investment funds management company specialising in the bioscience sector that is committed to eradicating disease through capital investment. iQX Limited is a core member of The iQ Group Global, a consortium of companies that finds, funds and develops bioscience discoveries to create life-changing medical innovations.

Safe Harbor Statement

Any statements in this announcement that relate to the Company's expectations are forward-looking statements, within the meaning of the Private Securities Litigation Reform Act. The Private Securities Litigation Reform Act of 1995 (PSLRA) implemented several significant substantive changes affecting certain cases brought under the federal securities laws, including changes related to pleading, discovery, liability, class representation and awards fees. Since this information may involve risks and uncertainties and are subject to change at any time, the Company's actual results may differ materially from expected results. Additional risks associated with iQX Ltd's business can be found in its periodic filings with the National Stock Exchange of Australia.
