Market Announcement – Extraordinary General Meeting: Change of venue

iQX Ltd (NSX:IQX) (the Company) advises that the venue of the Extraordinary General Meeting (EGM) to be held on Tuesday 14 July 2020 at 10am AEST has been changed to:

SMC Conference & Function Centre, 66 Goulburn Street, Sydney NSW 2000.

The EGM venue has been changed due to the previous venue being a part of a government initiated international return traveller program, requiring all inbound travellers to isolate in a hotel for 14 days upon arrival into Sydney.

The government has extended the program due to the number of people returning from overseas, meaning the previously advised venue will be used for isolating inbound travellers and is no longer able to accommodate external guests.

The Company apologises for any inconvenience caused and looks forward to meeting shareholders at the meeting.
